

Who is KSKJ Life?

KSKJ Life is a community-focused life insurance company that has advocated for families and communities for over 120 years. As 2nd fastest growing not-for-profit fraternal organization in the United States, we exist to serve our members, not profit from them. We continue to protect, connect and serve our members by offering financial security, community outreach and charitable support. www.kskjlife.com

Supporting Soldiers Campaign: The Supporting Soldiers Campaign was created in 2015 as an effort to show our organization's support and gratitude towards the military and their families. Each December, we choose a charitable organization whose mission is to assist our brave American soldiers. Our lodges then select an item (or items) to collect at their holiday parties. We ship them to the chosen charity and trust that they efficiently get the items where they need to go. KSKJ Life graciously donates \$50 per lodge that participates in this campaign. It is our hope that our efforts will greatly benefit our deserving military men and women.
