

RE: KSKJ Life

**ACTION REQUIRED If you have already voted – by phone, online or mail - we are asking you to please re-vote using the instructions in this updated proxy package.**

Dear Member,

We recently sent you a proxy package on behalf of KSKJ Life regarding their upcoming 2022 National Board Election. We are writing to inform you that the business reply envelope included in that original mailing is not properly formatted to have your ballot returned and processed and therefore you are now receiving an updated proxy package with the appropriate documents allowing you to vote your ballot by mail. We have also corrected an issue we experienced with tracking online and phone voting.

**IMPORTANT: If you have already voted – by phone, online or mail - we are asking you to please re-vote using the instructions in this enclosed updated proxy package.** Please reference the ballot within this package that will provide you with instructions to vote online, via telephone or mail.

We encourage you to review these materials carefully and then exercise your right to vote. As referenced on your ballot, you must vote for exactly eight (8) individual candidates for your ballot to be valid. **If you have any questions regarding voting, you can contact our service center at 1-833-757-0802 from 9:00 a.m. – 9:00 p.m. ET and a representative will assist you.**

We apologize for any inconvenience this may have caused and appreciate your understanding.

Sincerely,

*Brandon Van Manen*
